Just One Request

Dear Master for this coming year
Just one request I bring:
I do not pray for happiness,
Or any earthly thing—
I do not ask to understand
The way Thou leadest me,
But this I ask: Teach me to do

The thing that pleaseth Thee
I want to know Thy guiding voice,
To walk with Thee each day.
Dear Master make me swift to hear
And ready to obey.
And thus the year I now begin
A happy year will be—

Minimize Heartburn Aftereffects

<http://www.medicinenet.com/script/main/art.asp?articlekey=185498>

If you suffer from chronic heartburn -- clinically known as gastro esophageal reflux disease (GERD) -- a few steps may help minimize the aftereffects. Dr. Jordan Josephson, an ear, nose and throat specialist at Lenox Hill Hospital in New York City, suggests these tips to help manage GERD:

- **Pace yourself.** Rather than have one big meal, have at least two small meals throughout the day. It's also a good idea to have a healthy snack of veggies before the main course is served.
- **Don't eat just before bedtime.** Bigger meals should be eaten at least three hours before going to sleep to avoid an acid reflux flare-up.
- **Opt for water.** Rather than soda or wine, drink water to avoid aggravating your symptoms. Drinking plenty of water will also aid in digestion and help you stay hydrated.
- **Limit certain foods.** Do not overindulge on carbohydrates like bread, pasta and rice. It's also a good idea to avoid spicy or tomato-based foods as well as foods high in fat.
- **Avoid caffeine.** To prevent a flare-up of GERD symptoms, pass on the coffee or other caffeinated beverages.
- **Don't smoke.** Smoking irritates the lining of the stomach, esophagus, nose and sinuses.
- **Leave the belt at home.** Tight or restrictive clothing or accessories can increase heartburn-related discomfort.
- **Walk.** Taking a stroll before or after a large dinner can aid in digestion and boost metabolism.
- **Gargle with salt water.** At the end of the day, gargling with salt water can help remove acid and soothe stomach irritation.

Dictionaries for Third Graders

We will be handing out dictionaries to the third grade classes at Ferguson Township Elementary School of December 4 at 1:30 pm. We received thank you letters from the Ferguson third grade classes last spring. Following are some of their comments:

- The thing I like the best is that it is the perfect size to fit in my desk and it is light to carry around. In school when I don't know a word I have to go to the shelves and bring out the huge old dictionary. (Elisa)
- Because I have a dictionary I don't have to ask for one. Speaking of the Grange, I love going to Grange Fair! My favorite. (Jessie)
- Thank you for the dictionary. . . . I even used the dictionary to help be write this letter. (Jordan)
- Thank you for the awesome dictionaries that you gave us. They'll be useful when we need help in spelling a word. (Daniel)
- Now I know a lot about the Grange. You are very friendly people. Those dictionaries will help me a lot. Thanks! (Kate)
- Thank you for the dictionary. I love it. I looked up a bunch of words at lunch. (Mikey)
- I use it for spelling, and if I'm not sure about a word I look it up and spell it correctly! (Caitlyn)
- Thank you for the dictionaries. I bet the dictionary will make me extra smarter. (Garrett)
- Our class is flipping through the dictionaries all day. (Emily)
- The class loves using their own wonderful dictionaries. . . . Thank for the great presentation. We also love the Grange Fair. I love the monkey bread. (Alyssa)

Congratulations

Melanie Melius was honored at the August meeting as 2014 Baileyville Grange Citizen of the Year. She was recognized for her loyal dedication to Baileyville Grange #1991, Centre County Pomona Grange #13, and Pennsylvania State Grange especially with Family Activities. Also the Gatesburg Lutheran Church, Pine Grove Mills Cemetery, and her cleaning service for community families. Of course, Merle Eyer and granddaughter, Isabella Boone, (pictured with Melanie) share in this recognition for their assistance in all Melanie's endeavors. (Melanie and Merle are holding the wooden quilt blocks they created at the Family Festival in July.)

MASTER'S MESSAGE

Charles Richard, 814-667-3836

“Merry Christmas!” Enjoy your time with family and friends during the holiday season. As we begin a new year it's a good time to reflect on the benefits of being a Granger: •Your voice counts! The Grange is NOT a special interest group, we are grassroots...our members set our policy. • Enjoy a direct voice in the local, state and national legislative process. • Join in social activities that offer a chance to meet people from across the state and the nation. • Here in Centre County, Grangers run Grange Fair and determine what happens there through their representatives on the Grange Fair Board. Locally, we have our community service projects (Rabies Clinic, Dictionaries for Third Graders, etc.). So encourage your friends and family to join Baileyville Grange.

LEGISLATIVE UPDATE

Frank Connelly, 814-237-3798

The Pennsylvania Milk Marketing Board (PMMB) kept the Class I price for milk at \$1.60 per hundredweight and maintained the current fuel adjuster for the six-month period ending March 31, 2015.

According to Agriculture Secretary Tom Vilsack, the USDA invested nearly \$118 million in grants to support America's specialty crop producers in strengthening markets for specialty crops, such as fruits, vegetables, tree nuts, horticulture and nursery crops. The grants were authorized through the 2014 Farm Bill as part of an effort to enhance the competitiveness of specialty crops and provide resources to strengthen American agriculture.

FROM NATIONAL GRANGE

www.nationalgrange.org

National Master Ed Luttrell addressed the 148th Annual National Grange Convention focusing on overreach by government, such as unnecessary and often detrimental regulations as well as threats to personal freedoms. He also discussed challenges to the agriculture industry and systemic global issues, calling on the federal government to reevaluated programs aiding foreign nations. Improvements in agricultural science and technology are necessities for farmers who must assume these critical leadership roles though out the world. A hindrance to the agriculture community is overregulation such as the Waters of the U.S. and EPA regulations related to coal-fired power plants. "The Grange calls upon our elected officials at all levels to begin reducing the flood of government regulation before it drowns American entrepreneurs and business owners," Luttrell said. On infringements on personal rights and liberties, Luttrell said "Free speech, public displays of religion and the rights of citizens to bear arms shouldn't be questioned thanks to our founding document, the Constitution."

Luttrell pointed out the every Grange member should be proud of the rich history of the Grange as we prepare for the 150th Session of the National Grange to be held in the D.C. area in 2016. He challenged every member to not only celebrate our history, but face the challenges of today with an understanding of the legacy passed to us. "We must always look forward into the future while remembering the lessons of the past," Luttrell said.

FROM PA STATE GRANGE

www.pagrang.org

New President Elected: Elizabeth (Beth) Downey is a member of Allegheny Grange #1843 and Eagle Grange #, both in Lycoming County. She lives in Muncy with her husband Bernie, their son Jordan, and Ollie, their Corgi! Beth can be reached via email (president@pagrange.org) or by calling the State Office. She's excited for the opportunity to serve the Grange and work with the members to accomplish great things.

State dues will be raised in 2015 to \$44 per year. Baileyville's dues have been kept at \$25 using prize monies and interest income to supplement when the dues were previously raised. To remain at \$25 we may have to engage in a fundraiser. Suggestions would be appreciated.

Congratulations: Cassidy Cheddar, Elizabethtown Grange, Lancaster County and Derek Snyder, Valley Grange, York County were named the 2014-2015 National Grange Youth Ambassadors!

Distinguished Grange Awards presented at National Grange Session: Pennsylvania won for the 3rd year. Russellville won for the 5th year. Elizabethtown Area, Goshen, Harveys-Aleppo, Stony Point, and Valley Granges all were recognized as 2nd year winners.

Christmas Carols History

The first Christmas hymns for Christians appeared in fourth century Rome. In the ninth and tenth centuries, the Christmas "Sequence" or "Prose" was introduced in North European monasteries. In the twelfth century a Parisian monk began to derive music from popular songs, introducing the traditional Christmas carol. In the thirteenth century, in France, Germany, and Italy, under the influence of Francis of Assisi Christmas songs developed in native languages. Christmas carols in English appeared in 1426

sung by groups of wassailers going house to house. After the Reformation Carols became popular in Protestant church worship. Almost all the well-known carols were not sung in church until the second half of the 19th century. *Hymns Ancient and Modern 1861-1874* included several carols. Isaac Watts, the "father of English hymnody", composed "Joy to the World", which has become a popular Christmas carol even though Watts did not write it to be sung only at Christmas. Charles Wesley wrote texts for three Christmas carols like *Hark! The Herald Angels Sing*. For an 1861 Austrian Christmas Eve service *Silent Night* was composed with guitar accompaniment that appeared in an English translation Methodist hymnal in 1871.

Can you figure out the name of the Christmas Carol from these pictures?

Christmas Smiles

What do you call an elf who sings?
A wrapper!

What is the popular Christmas carol in Desert?
