**Organic Free Range Broilers raised by a 15 year old as an FFA project.**

Karli Zwade’s brother, Mitchell, for his FFA project, raised a batch of broilers, (chicks came from Draper Valley) free range on organic feed and they were recently processed at the USDA inspected facility in Lynden, so they can be

offered frozen for public sale. They weigh around 5 lbs and he is offering them for \$5 a pound and they taste great. Karli says that if a group of people from Whidbey got together and bought a big batch, she would deliver them. Contact her at 360-483-8717 or [karli@washingtongr.org](mailto:karli@washingtongr.org)

**MASTER’S MESSAGE**

Dear Brothers and Sisters,  
At this time last year we were starting to enjoy some warm weather, a trend I’m sorry to say isn’t happening yet☹. The hall is still quite busy, but the

Monday morning dance group has moved to another facility. The *Washington State Grange Convention*, which will be held in Moses Lake WA this year June 29<sup>th</sup> through July 2<sup>nd</sup>, is looming, and I hope our delegates to convention have reserved their rooms. **Our next regular business Meeting will be held on June 7<sup>th</sup>. The Meeting starts at 7: pm, please try to arrive a bit early so we can set up the hall, and start on time...** I hope to see everyone there.

.....  
Fraternally yours,
