BUSY TIMES

HELP Wanted. Expect a call. We need to get our hall painted. Can you help? Scrap paint? Pressure wash? Clean gutters? Replace a couple pieces of siding? Hold a paint-brush? Climb a ladder? We need you, let Master Ken know, call 321-2092 and volunteer.

At the last business meeting we scheduled six work party days (8/15, 8/16, 8/17, 8/22, 8/23, 8/24). Thank you, Gary and Tarey, Dan and Kristi, Tori, Chuck and Judy for your help. We scraped and pressure washed the North end and the East side. So two of the many surfaces are close to being ready to go,

TORI JOHNSON: The Editor believes that its time to give Tori some special notice. She is talking to the American Legion about getting a flag pole installed and a flag. We will talk about that at the meeting

Tuesday. She and her friend Mike donated the use of a pressure washer Saturday. She is volunteering to build a sign for use on our reader board for our new partners, the South Whidbey Yacht Club who starting in August will be meeting at our hall on the third Wednesdays. She is donating a Grange flag to us soon. Tori with the help of a friend designed and built the Ferris wheel that was used in our Grange display that won the *Superintendant's Award* in the Educational Department of the 2014 Whidbey Island Area Fair. She also worked the Critter Workshop. Tori has only been a member since June. She attended the 125th WSG Convention in Vancouver and is now a 6th Degree member!
THANK YOU TORI: YOU ARE AN INSPIRATION to us.

ISLAND COUNTY POMONA

Five of us made the Pomona meeting at South Camano Grange. Ken and Marta, Chuck and Judy, and Phyllis. South Camano treated us to a very nice lunch as they customarily do. Thanks!

NEW RELATIONSHIP

South Whidbey Yacht (SWYC) held their first meeting at our hall Aug. 20th. Four of us were there to welcome them to our building, they were Roland, Jim, Chris, and Chuck.

MASTER'S MESSAGE

Dear Brothers and Sisters,

Here it is September already. The kids are headed back to school, our gardens are being harvested and we're making ready for winter (well, at least some of you are). I've been missing in action around the hall while I take care of some of my other obligations, so Chuck, Tori and some of the usual members have been busy scrubbing, brushing and scraping; getting ready to start painting. More help is always welcome!☺

Our next potluck and meeting will be on September 2nd. The potluck is at 5:30, with the meeting following.

Fraternally Yours,

Master: Deer Lagoon Grange
