## **MASTERS MESSAGE**

Dear Brothers and Sisters,  
At this time last year, our Executive Committee voted VIE telephone to authorize a structural survey of the hall. The survey was completed and plans

were drawn up, and permits were issued, we are now working on applications for a grant. If that isn't fruitful, we'll move on to more conventional methods of finance; keep your fingers crossed for the grant. The hall is in need of other minor repairs, but we're working on them. State convention is approaching and we'll need delegates. If you're interested in being a delegate, please try to show up at our meeting on April 5<sup>th</sup>, or at least send word by a member who is attending. I hope to see all of you there.

Fraternally Yours,
