Grange hall.

Progress on Our Hall

Real things are happening to improve
our building since April 2:

New Countertops, Ray Green, Rotary
Club and Gary Kay have half of the
countertops finished. We need to
rebuild the kitchen sink support
structure and re-plum the water and
drain lines for the sinks. Then, the
Ray and Gary team can finish the
counter resurfacing job.

New Furnace, we will have a new
propane furnace and sealed and
insulated heat ducts the day of our
next potluck, May 7th. We will have a
significant reduction in fuel bills due
to the increase in efficiency of the
furnace and ducting.

Grange Food Basics

Food, Farming, and Culture in the
Himalayas brought a large crowd to
witness Cary Peterson's presentation.
At the Fermented Revival Meeting we
had nearly 50 people fascinated by the
presentation by Sue Ellen White and
Sooja Nehrlich.

This was the conclusion of a wonderful
series of Food Basics presentations for
this Spring.

Grange Visitation

We had a great time when we traveled
to Friday Harbor Grange to see State
Master Duane Hamp present them with
their Charter.

MASTER'S MESSAGE:

Dear Brothers & Sisters:

Summer's getting here, slowly but surely. The grasses and weeds are growing, and I'm just not up to snuff this year. I don't see a garden in my future; maybe some tomatoes, but that's about it. Progress is still good on the hall; new counter tops are being installed, and should be ready for our meeting on the 7th, along with a new furnace. Our "Rain Garden" project will be starting soon, and we need lots of help. Please come to our meeting and sign up to help. I hope to see you at 7 PM on May 7th for our business meeting, and 10 AM May 11th for Pomona at DLG.

Fraternally Yours,

Master: *Ken Schillinger*
