

Fire Operations in the Wildland Urban Interface

For Fire Safe Councils

Learn what firefighters learn to protect your home and your community.

April 1, 2017, 8:00am — 4:30pm

Time: Registration, coffee and refreshments at 8am; the course will start promptly at 8:30

Location: Fallbrook Public Utility District. 990 E. Mission Rd, Fallbrook, Ca 92028.

The course is free of charge to local residents, representatives of community Fire Safe Councils, and CERT members.

Conducted by: J.P. Harris, Los Angeles County Fire Department Battalion Chief, Retired

About the training:

- A one day in-depth course to learn the principles used by firefighters in suppressing wildland fire and protecting structures in the Wildland Urban Interface.
- Participants will learn about fire behavior prediction. They will apply this knowledge to the community's topography, fuels, weather, and the community's Fire Safe condition including the construction of homes.
- The training will include a field trip to selected homes to do a site assessment on lessons learned.
- The day will include discussion about evacuation and survival tips.
- Please register at: www.firesafesdcounty.org
- For more information or help with registration contact the Fire Safe Council of San Diego County at 619-562-0096.
